

Gallery/Studio Program Scholarship Application

Spring 2019

Application Deadline: January 20, 2019

We are pleased to offer a limited number of scholarships for the Gallery/Studio Program for students ages six to seventeen. Please make sure to include all five parts of the application. Incomplete applications will not be considered. Applications submitted after the January 20 deadline are accepted on a first-come, first-served basis if funds remain.

Drop-Off Hours for Scholarship Applications

January 2–January 20

Wednesdays–Sundays, 11 am–5 pm

Museum is closed Mondays and Tuesdays.

Drop off your application in our Education Gallery

To find out if you have been awarded a scholarship, you must contact the Education Division at 718.501.6230 or by emailing gallery-studio@brooklynmuseum.org on January 25.

If the Education Division does not receive confirmation that you accept the scholarship, directly or by voicemail, within 7 days of the call-in period, your scholarship will be withdrawn.

The Museum will not notify recipients; the responsibility to call lies with the applicant.

To be considered for a scholarship, applicants must submit this completed form along with the items listed below:

1. Statement of Interest

Describe why you would like to be a student in the Gallery/Studio Program and why you should receive a scholarship. Our expectations are age-appropriate, and we ask students to write their own letters. Typed letters are accepted but not encouraged. Attach the statement to this application.

2. Letter of Recommendation

This should be a current letter describing the specific art-related and distinguishing merits of the applicant. It cannot be written by a member of the Museum's staff or the applicant's family. This letter may or may not be returned. Attach the letter to this application and indicate on the letter the writer's contact information and relation to the applicant.

3. Portfolio

Although scholarships are not awarded based solely on artistic merit, the portfolio should represent the interest, effort, and creativity of the applicant. The portfolio is a package (folder, binder, or envelope) of eight to ten original and diverse works of art. No three-dimensional work, such as sculptures or framed pieces, is allowed, although photographs of three-dimensional work are fine. If you are unable to compile works of art that demonstrate the student's commitment, please include a letter explaining how the student will benefit from taking the art class. Label the portfolio with the applicant's name and age.

All portfolios, regardless of result, must be picked up between January 28 and March 15, or they will be discarded.
